§ 01 Summary

Final-year BA (Hons) Security, Intelligence, and Cyber student on an accelerated two-year degree at The University of Buckingham. Fast and adaptive learner with growing independent study in GIS and OSINT analysis. Strong grounding in analytical reasoning, and strategic evaluation across geographical, strategic, and technical domains gained through both academic studies and personal interests.

Incoming postgraduate researcher, commencing an MSc in Development, Environment, and International Politics at Newcastle University in late 2026. Currently open to research collaborations, conference opportunities, and postgraduate networks in development-security, sustainability, and energy resource management.

§ 02 Education
