Summary

Final-year BA (Hons) Security, Intelligence, and Cyber student on an accelerated two-year degree. Fast and adaptive learner with growing independent study in GIS and OSINT analysis. Strong grounding in analytical reasoning, and strategic evaluation across geographical, strategic, and technical domains gained through both academic studies and personal interests.

Education

University of Buckingham, BA(Hons) in Security, Intelligence and Cyber (Ongoing, 2024-2026)

- Key Modules: Development and Security, DNA and Crime, and National Security in a Cyber Age.
- Dissertation Focus: Sustainable Scotland - A Comparative Analysis of Development-Security.
- Coursework includes Forensic Sciences, the study of Terrorism and Counter-Terrorism, and cyber fundamentals in areas such as Databases and Critical National Infrastructure.

Ponteland High School, GCE A-Levels (2022-2024) & GCSEs (2020-2022)

- A-Level Subjects: Geography, Maths, and Physics.
- Completed independent fieldwork on the relationship between urban areas and organic carbon stores within the city of Newcastle-Upon-Tyne.
- Attained 11 GCSEs including English, Maths, and the Sciences.

Extended Project Qualification:

- Surviving the High North - A look into Culture and Geography (2023)

Experience

The SPARK GROUP

September 2024 – Present

- Founded the SPARK Group as an international voluntary collaboration effort.
- Founded and delivered Open Source projects relating to enhancing hardware and networking skills.
- Lead Developer on digital ecosystem projects; SparkNet and SenaCode.

Sodexo Live! – Front & Back of house (St James' Park)

August 2022 – September 2024

- Front-of-House: Worked various roles and events, from Christmas parties, to VIP boxes, and to grand openings.
- Back-of-House: Independently managed high-volume dispense, Glasswash, and back of bar during major match days and high-profile functions.
- Award-Winning Performance: Recognised with multiple 'On the Spots' and other awards for efficiency and service.
- Spearheaded the Glasswash operations for St James' premier luxury suite, from launch day. Co-ordinating a small scale team which processed thousands of glasses per match ensuring elite presentation and utmost dedication.
- Stock & Resource Control: Monitored inventory flow, anticipated surges in demand, and coordinated seamlessly with cellar and Front-of-House teams to maintain quality product distribution during my time behind the bar.

Leadership and Qualifications

Leadership Roles

Student Academic Representative for the Centre for Security and Intelligence Studies (BUCSIS) and former Cadet Senior Non-Commissioned officer in the Air Training Corps and Northumbrian ACF (5+ Years, achieving rank of Sergeant IC).
